Dear Future Sponsor:

The 2019/2020 Pekin Community Softball Association (PCSA) season for our young female athletes is in full swing. Support from our sponsors plays an important role in the continued success of our program. We hold a variety of individual and organization fundraisers, as well as collect player fees from the parents to help offset the costs incurred for our travel program, but our sponsors are our largest source of additional support to help us be the most competitive and well-rounded organization we can be.

The PCSA softball teams are made up of highly motivated girls between the ages of 8 to 18. This year we have six full teams in our organization (75 young ladies). Our organization is a not-for-profit organization managed and governed by board and dedicated volunteers from our local community. The mission of the PCSA Softball program is to provide opportunities that develop softball skills, character and citizenship. Beyond our mission, we provide a positive and safe softball experience for all our female athletes through the education of the sport, stressing the importance of teamwork, good sportsmanship, and fun! The teams travel to surrounding communities and throughout the State of Illinois for their games and tournaments. This is our 8<sup>th</sup> season as an organization and over the last seven seasons, the PCSA has had over 500 girls participate. This year we will be hosting our 5<sup>th</sup> annual *May'd to Play* softball tournament in May and our 6<sup>th</sup> annual *Mid-Illini Challenge* tournament in early June. Both tournaments take place in Pekin and bring hundreds of families to our town over the two weekends.
